#### Beschreibung:

We are busy finding the right construction partner(s) to build Villa Isabelle in Altea Hills. We have been working hard recently and together with leading property developer Jerry Saffrie, Spanish top architect Ramón Gandía Brull/ rgbarquitectos Valencia have made this amazing project what it is today: a Villa for sale, with all permits and ready for construction!

The Villa offers unique views of the sea, Altea, Albir and Benidorm and has luxurious amenities. With four bedrooms each with stunning sea views and multiple terraces with great views, this is truly a luxury villa. The carefully selected materials, thoughtful design, and attention to detail have transformed Villa Isabelle into a unique villa. The villa comes with the latest The terraces on two levels, the 'overhanging' infinity pool from which you can enjoy this amazing view, among other things. The staircase is a work of art in itself and a spacious bathroom fitted with all modern conveniences.

A true, private paradise in Spain!

As The Real Spain Estate Company, we are proud of the collaboration with the Design Team, the renewed permits, issued certificates and constructive consultation that led to this success.

---

The price for the plot including permit and plan is €350,000 (without construction of the house).
