Beschreibung:

Tranquility & charm exudes from every corner of this lovely traditional townhouse located down a quiet side street, within the historical centre of Lagos. The main entrance hall is cool & inviting, emphasizing the traditional high ceilings, and leads to the courtyard which opens up to an oasis of peace in the middle of town. Leading off the main hall at the front of the house, is a well-appointed sitting room, which could also be used as a bedroom. Across, is the spacious living room with wood burner for those cozy winter evenings. A further bedroom and shared bathroom with walk-in shower is also located on the ground floor. The kitchen dining area has a family style seating area, perfect for any gathering, and is adjacent to the courtyard.

On the first floor, an additional double bedroom has access to a private terrace with a unique outdoor bath, plus an adjoining room to this that could be used as a connecting bedroom, office, or studio. The master bedroom is impressive with its wood beam ceilings, has private access to the mezzanine deck terrace, and an enormous ensuite bathroom with large walk-in shower.

A small roof terrace with views over the town can be accessed from the mezzanine.

Many original features of this special property have been thoughtfully maintained and combined with

updated finishings, creating a blend of traditional Portuguese style and modern comfort.
