Beschreibung:	

The Creek is one of those developments that genuinely earns the word exceptional.

Forty-five luxury apartments set within a 22,000m² plot in the heart of Vilamoura, yet the building footprint covers just 2,200m² of it. The rest is landscaped gardens, water features, and open space, designed by Jardim Vista, the studio behind some of the most celebrated private estates in Quinta do Lago.

The location is hard to beat. Three of Vilamoura's five golf courses within 1,400 metres. Falésia beach and the marina two kilometres away, close enough to cycle, close enough to walk. The kind of address where you genuinely don't need a car.

The penthouse apartments occupy the top floor and are the standout units in the development.

Each one opens onto a private rooftop terrace with its own infinity pool between, 8 and 11 metres depending on the unit. Plus a full outdoor kitchen with barbecue, fridge, wine fridge, sink, and worktop, a lounge area, dining area, and dedicated sun terrace.

The views stretch across the golf courses and out towards the coast, and as the sun drops in the evening, this is exactly where you want to be.

Inside, the design is contemporary throughout, floor-to-ceiling double glazing, generous proportions, and high-quality finishes. All apartments are delivered fully furnished with a carefully selected furniture package.

Underground garage parking is included as standard.

Shared facilities include a padel court, pitch-and-putt practice area, pétanque, indoor and outdoor gym, sauna, and Turkish bath.

The architect is Vasco Vieira of Arquí+, one of the most recognised names in high-end Algarve residential design, with projects across Vale do Lobo, Quinta do Lago, Miami, and Dubai. - REF: 266
