Beschreibung:

Located in Kuala Lumpur.

This premium large-scale warehouse features an integrated corporate HQ and solar infrastructure designed to support sustainable and cost-efficient operations. Built for efficiency and scalability, the property is ideal for multinational corporations, logistics providers, and manufacturers seeking a strategic operational base in Bentong. The property comprises a double-storey detached corporate office, a warehouse with an annexed double-storey office, a TNB substation/generator house, an open-sided car shed, and a guard house. The facility enables seamless integration of operations and management under one roof within an established industrial zone. It also benefits from excellent connectivity to the East Coast Expressway (LPT), linking Kuala Lumpur, Port Klang and Kuantan Port, as well as the Central Spine Road. Additional amenities include ample parking, landscaped surroundings and dedicated staff facilities that enhance operational efficiency and workplace comfort.
