Beschreibung:

An operating paving stone production facility is for sale. The property is fully ready for operation and suitable for continuing production activities without the need to set up the business from scratch.

The property includes a production building with an area of 1,000 m² and a land plot of 1 ha.

The production facility is equipped with the necessary machinery for manufacturing paving stones. The equipment includes:

a vibropress, a concrete mixer with a capacity of 0.5 m³, aggregate material bunkers, and other necessary production equipment.

The production capacity is approximately 250–400 m² of paving stones per shift.

This property is suitable for an investor, construction company, or entrepreneur looking to acquire a ready-made production base with land, a building, and equipment for paving stone manufacturing.
