#### Beschreibung:

If you're looking for a great value apartment in Patong area of Phuket, then look no further.

This 100sqm apartment has 2 bedrooms, 1 bath, and a spacious open plan living area that you can really spread out in and enjoy. The open space living area spans the entire length of the apartment and opens onto a private balcony with green, city and ocean views. The space is currently hosting a full-sized sofa suite and an office area, with plenty of room for a formal dining area if that is preferred. There is also the balcony to enjoy the legendary Patong sunsets before heading out for a night on the town.

The kitchen has traditional wooden cabinetry and black marble worktops with coordinating backsplash. The U-shaped counter extends to a breakfast bar for informal meals. The kitchen has a full-sized fridge, hob, hood, and built-in microwave.

The two bedrooms sit toward the back of the apartment and the master has green views, making them easy to darken and keep cool after those long nights. The one bathroom has a shower, built-in storage, and a washing machine and tumble dryer already installed.

Communal facilities include a swimming pool with Jacuzzi seating, parking place, and video security. Common fee is 4,500/month.
