Beschreibung:

An exceptionally rare listing in a location where parking spaces almost never come on the market!

Located within a closed and secure underground garage of Puente Romano, this 14m² private parking space (about 20% bigger than the others) offers easy access, a large manoeuvring area, no columns, and is positioned along a wall.

Near the exit, it provides quick access to all of Puente Romano (and the Forum), making it ideal for both property owners and investors.
