Beschreibung:

This property was designed to be enjoyed to the fullest, both outdoors and indoors, offering a harmonious experience across all areas. The exterior embraces the outdoor lifestyle, featuring several leisure spaces, including sunny terraces, green areas, a barbecue, and even an outdoor shower, creating the perfect setting to relax or entertain guests. The lowmaintenance garden sits within a fully fenced plot, where the spacious swimming pool and ample parking stand out.

Inside, the villa offers a practical and comfortable layout: an openplan kitchen and a spacious living room with direct access to a winter terrace and the garden. Two bedrooms, one of which is a suite; the two existing bathrooms are very spacious and are connect to a walkin dressing room.

In the garden, a wooden cabin has been installed, which can be easily upgraded to create a cozy space for guests. The property also includes several storage areas, ensuring additional convenience.

The location is truly privileged: a peaceful and private setting, yet just minutes from the center of Boliqueime and a wide range of essential services, leisure activities, shops, and social life. - REF: 1009-2425
