Beschreibung:	New residential project in Torremolinos

Walking distance to the beach.

An exclusive development of 353 homes designed for those seeking to embrace the authentic Mediterranean lifestyle, combining a privileged location, contemporary architecture, and spaces created for everyday enjoyment.

Situated in a prime area of Torremolinos, just a five-minute walk from the iconic Playa de La Carihuella — one of the most renowned beaches on the Costa del Sol — this project offers the perfect balance between relaxation, leisure, and gastronomy. A unique setting where the sea, natural light, and quality of life take centre stage.

Each home has been carefully designed to maximise natural light, spaciousness, and a seamless connection with the outdoors. Its modern and functional layouts, together with generous terraces, allow you to enjoy the Mediterranean climate all year round without leaving home.

The mid-floor residences feature large terraces and pleasant views over Torremolinos and the elegant

landscaped communal areas, which include beautifully designed swimming pools and gardens. At the top of the development, the penthouses elevate the living experience with impressive private terraces featuring a swimming pool, jacuzzi, chill-out area, and spectacular panoramic views.
