#### Beschreibung:

Decor throughout is sleek and stylish, the living area finished in muted neutral tones is comfortable and relaxing. The lounge features interesting design details with a high window allowing in a stream of light and a circular cutaway to the staircase. The neat kitchen, dining table and floor tiles follow a high gloss theme.

Fully retractable glass doors open onto the sun terrace with pool and expansive views. The natural sun bleached wood deck beautifully contrasts the otherwise sleek design. The sparkling infinity pool is great for cooling off and doing a few lengths. Early risers will appreciate beautiful sunrises from this east facing position.

Upstairs the dark matt flooring adds sophistication to the simple, chic design. The master bedroom is an open layout with the ensuite bathroom behind a partition wall. Both other bedrooms on this level have ensuite bathrooms and one also features a terrace. The additional bedroom on the top floor has a private wraparound balcony and fantastic views.

Koh Kaew offers easy access to the whole island, with marinas and international schools nearby, as well as Phuket Town and several shopping venues. Close proximity to the main road means that the west and south coasts are easily reached.
