Beschreibung:

This quaint property (currently in ruins), perfect for those looking for a project, is nestled in this peaceful village, offering a unique opportunity to create a dream home. With 1 bedroom and 1 bathroom spread over 54 square meters of house area on a 36 square meter land area, this property boasts a terrace, balcony, and stunning village views.

The property is located in a quiet area, offering a serene retreat from the hustle and bustle of city life.

This fully approved project gives you the chance to create a stylish two-storey residence featuring a private walled patio for al fresco dining and a sun-soaked rooftop terrace to soak in panoramic views of the countryside.

Located in the centre of Benafim, the property enjoys easy access to essential amenities, including a bank, supermarket, local restaurants, and shops all within walking distance. Whether you're looking for a full-time residence, a holiday escape, or a rental investment in the Algarve, this project combines authentic village living with modern potential.

This house is one of five approved projects for sale in the same street, and can be combined with one or all of the other properties to make a larger house.

Priced competitively to attract keen investors and homebuilders eager to bring a dream home to life in one of Portugal's most desirable regions. Please note that this is an approved project and does not include the cost to construct the property.
