Here we are delighted to bring onto the market this spacious four bedroom duplex apartment in the centre of Rojales. Distributed over the first and second floors, the property has a large lounge dining area, hallway to independent kitchen with utility room. Above the property also is a large solarium with built-in storage room. There plenty of amenities at hand including medical centre, shops, supermarkets, and a choice of traditional bars and eateries. Rojales is conveniently located just a short drive from several beautiful beaches. The well-known Guardamar del Segura beach, with its fine golden sands and clear waters, is roughly 10 minutes away by car. Other nearby beaches include La Mata and Torre Vieja, offering an array of water activities, from swimming and snorkelling to sailing. This easy access makes Rojales an attractive destination for sun-seekers and beach enthusiasts alike. Accessibility is also a significant advantage, with Alicante-Elche Airport approximately 35 minutes away by car. This makes getting to and from Rojales relatively stress-free, whether for a holiday or permanent relocation. In addition to its cultural and natural attractions, Rojales has a variety of landmarks worth visiting. The Cuevas del Rodeo, a series of ancient cave houses turned into artisan workshops, offer unique insights into the area's history and creativity. The village also boasts easy access the neighbouring water park along with La Marquesa Golf Course, an 18-hole course set amidst scenic landscapes, ideal for golf enthusiasts. Given its combination of cultural richness, natural beauty, and practical accessibility, Rojales

is not only a great place to visit but also offers excellent opportunities for property investments.
