Beschreibung:

- This vacant two-room apartment, situated on the third floor, offers an exciting opportunity to create a truly personal home in the heart of Berlin-Neukolln. In need of renovation, the property provides the ideal blank canvas for buyers wishing to choose every finish, colour and detail according to their own style.

The two-room layout is well suited to a couple, an individual or anyone requiring a separate home office. The living space could become a welcoming area for relaxing and entertaining, while the second room offers flexibility as a comfortable bedroom, workspace or guest room. With thoughtful modernisation, the apartment has the potential to become a stylish and characterful city home.

Located in the lively Flughafenstrasse neighbourhood, the property is surrounded by the energy and diversity for which Neukolln is known. The nearby Karl-Marx-Strasse offers cafes, international

restaurants, bakeries and independent businesses, while Volkspark Hasenheide and Tempelhofer Feld provide extensive green spaces for walking, cycling, sport and relaxation.

The area benefits from excellent public transport connections. The U7 and U8 underground lines can be reached via stations including Boddinstraße, Rathaus Neukölln and Hermannplatz, providing convenient connections to Kreuzberg, Mitte, Charlottenburg and other parts of the city.

Everyday amenities are available within the immediate neighbourhood, including supermarkets, pharmacies, local shops and a broad selection of dining options. The nearby Neukölln Arcaden and the shops along Karl-Marx-Straße provide further retail and service facilities, making this an appealing opportunity to renovate and create a distinctive home in one of Berlin's most dynamic neighbourhoods.

City area

Located in the south of Berlin, Neukölln is a cosmopolitan and bohemian neighborhood. The numerous stalls of the mythical Sonnennallee and the colorful market of Maybachufer testify to the important multicultural community. There are also trendy young people from around the world, especially around the Weserstraße, which is full of bars, vegan restaurants and designer boutiques. In the heart of Neukölln, the large Hasenheide park, between Hermannplatz from and the former Tempelhof airport, will delight outdoor enthusiasts. To the south of the town hall, Rixdorf is a charming neighborhood with the airs of villages around the Richardplatz. There are many small cafes, cobbled walks, and urban houses. For several years Neukölln has experienced unprecedented economic and property development. Every year, the famous "48 hours of Neukölln", open doors of workshops, are the opportunity to meet the many artists living in this neighbourhood.
