Beschreibung:

A fully restored 18thcentury townhouse with 7 bedrooms, 3 floors, a private panoramic terrace and an independent commercial space, set within the historic walls of Évora just 400 meters from Praça do Giraldo.

In one of Évoras oldest quarters the former Moorish neighborhood this property stands on a street with more than six centuries of history, where every façade carries heritage and every detail reflects authenticity. The building preserves its 18thcentury character, from high ceilings and original wood to traditional taipa walls, now enhanced with modern comfort: air conditioning, thermal and acoustic insulation, fully equipped kitchens and a rare private terrace within the city walls.

Spread across three floors, the house offers 7 bedrooms, 7 bathrooms, two equipped kitchens, generous circulation areas and a living room that balances tradition with contemporary refinement a new chapter for a home shaped by centuries. On the ground floor, an independent commercial space adds versatility, ideal for rental income or establishing a personal business.

At the top level, the private terrace opens onto the rooftops of Évora's historic center, creating the perfect setting for outdoor breakfasts, sunset dinners, quiet moments or hosting friends and family in a truly unique environment.

The location speaks for itself: steps away from the Sé Cathedral, the Roman Temple, the University of Évora, and the vibrant Praça do Giraldo, in an area sought after yearround by residents, students and visitors. - REF: 318/M/03882
