Beschreibung:

6 bedroom villa in Luco with swimming pool on a plot of 4000m2.

More than a property, it is an exceptional residential experience.

Inserted in a large plot of 4,000 m², this 6 bedroom villa has about 1,000 m² of floor space, designed for those looking for spaciousness, high comfort and a truly rare level of privacy.

The project was thought out in detail, with a sophisticated and balanced approach, where nothing is excessive and everything has a purpose.

The house has six spacious suites, all with their own sanitary facilities, ensuring total independence and well-being.

Altogether, it has ten bathrooms, marked by superior quality finishes and a current and elegant design.

The interior spaces benefit from large areas, excellent natural light and a harmonious connection between rooms.

Contemporary architecture, combined with the use of noble materials, results in comfortable, functional and visually striking environments.

Abroad, the scenario is equally different:

A large swimming pool, a pool support house, well-kept gardens and several areas designed for leisure and socializing, in a setting of absolute peace and exclusivity.

Suitable for:

High-end family housing

Luxury residence with a focus on privacy

Solid investment in the Premium segment

A unique property, aimed at those who value space, elegance and discretion, and are looking for a property that clearly stands out in the market.
