Beschreibung:

Located in the residential and authentic neighborhood of Campolide, this T2+1 apartment seduces with its typical Lisbon charm, its high ceilings, which bring a pleasant feeling of space, its solid pine plank flooring and its original distribution.

Organized around a longitudinal plan, characteristic of many apartments in traditional Lisbon, the property offers several spaces that follow each other naturally, creating a cozy atmosphere and a sense of continuity. Its double east west exposure (east west) allows you to enjoy beautiful natural light throughout the day.

Ideally located, the property benefits from the proximity of shops, services and transport, as well as the French lycée, Amoreiras, Monsanto and the center of Lisbon which are also within easy reach. It has convenient access to the main roads, such as the 25 de Abril bridge, making it easy to move along the south bank and the beaches of Costa da Caparica or the North-South axis. The street has parking with free badge, there is also a paid underground car park a few minutes walk away.

An apartment with personality, ideal for a main residence or an investment in the heart of an unspoiled

area of Lisbon. - REF: AA345
