Here we have a great four bedroom 3 bathroom home in the heart of the popular village Algodonales. The village is famous for being a center for paragliding and hang gliding and is well serviced with all amenities, it maintains a traditional Andalusian atmosphere whilst attracting international visitors for the sports .

located on wide street with easy access and on street parking , this home is in move in ready condition with the current owners having made many upgrades and improvements in the past 4 years , so you have new front door , new double glazed windows throughout and an additional en-suite shower room .

enterting there is the typical vestibule with internal double doors . To the right there is a good sized double bedroom with a simple ensure shower room .

then there is the living and dining area , off which there is the compact fitted kitchen which offers upper and lower cabinets. There is a small light well patio that brings natural light into the kitchen and has a small storage area too.

passing through the kitchen and on the right you have another bathroom with shower loo and sink. On the

left of the passage way are stairs leading down into a basement area which is divided into two spaces , the first is practical storage and the second is being used as a recreational room .

on the first floor there are three further bedrooms , two with balconies over looking the street, the larger of the three bedrooms is currently set up as an extra lounge and occasionally used as a guest bedroom with sofa bed, directly off this room is a full, family bathroom which has enclosed large shower , loo and sink .

A door from the bathroom leads to a terrace area with some snapshot views of rooftops and mountains beyond , there is a built bbq area and enough space for alfresco dining .

This home is move in ready so you could enjoy it straight away .
