Beschreibung:

Set on a 1,050 m² plot in a quiet residential street in Estoril, this 1920 villa has a mature garden and views towards the sea and Cascais Bay from its upper floors.

The villa currently measures 465 m² and is offered in its present condition, together with a renovation project designed by Portuguese architect Vítor Vitorino. The design preserves the property's character while reinterpreting its arches through contemporary architecture, generous glazing and a natural connection between the house, terraces and garden.

The project envisages 545 m² following renovation, with spacious reception areas, bedroom suites, wellness spaces and a lift. Planned outdoor features include landscaped gardens, a swimming pool, a rooftop terrace with a jacuzzi and a three-car garage. Completion of the works is expected in 2027.

An opportunity to create a distinctive home in one of Estoril's most sought-after locations, with scope to choose the finishes and shape the property's transformation.

The project images are architectural renderings. Final areas and features are subject to the approved plans

and applicable permits. - REF: MOR0512
