Sue Cox Inmobiliaria is pleased to offer for sale this attractive semi-detached property. Set within a quiet residential area of Oasis de Nazaret, it occupies a 584 m2 plot and offers approximately 110 m2 of living space. The property has been carefully updated over the years while retaining its original charm, and enjoys a particularly private setting with a variety of outdoor spaces to make the most of the Lanzarote climate.

Inside, the property has a welcoming entrance leading into an open and light-filled living area. A striking glazed ceiling above the dining area creates a bright focal point, while the lounge opens onto a terrace where the elevated position provides far-reaching views across Lanzarote.

creating an additional bedroom or a dedicated office.

The outdoor areas are a real highlight of the property. Spread over several levels, they include a main terrace, a relaxed poolside area with a Caribbean-inspired bar, a 3.5 x 2.5 m private swimming pool and an outdoor shower. The gardens are planted with a selection of fruit trees and other greenery, complemented by volcanic gravel, creating a relaxed and private environment. A separate entrance to the garden also provides the possibility of creating off-road parking. This entrance is fitted with an electric gate.

Further features include it's own aljibe, septic tank and workshop, while the property can be accessed from two separate streets.

The house has benefited from a number of recent upgrades, including new plumbing throughout in 2025, waterproofing works in 2023 and internal and external redecoration in 2026. The swimming pool was added in 2026, while solar panels and a battery storage system were installed in 2024. These improvements have contributed to the property's B energy efficiency rating.

With its generous plot, private pool, multiple outdoor areas and potential for further adaptation, this is a distinctive home offering a peaceful base in Nazaret with beautiful views and plenty of space to enjoy island living.
