Located in Blue Lagoon, within walking distance of all amenities, is this beautiful villa that originally served as the project's showhouse. You notice this immediately: the home has been finished with high-quality materials and equipped with numerous extras, including home automation, an alarm system, and electric shutters. Comfort and quality are paramount here.

The spacious and light-filled living area connects perfectly to the terrace with a private pool, creating a wonderful indoor-outdoor feel. Additionally, there is on-site parking, which is practical and safe.

Furthermore, on the ground floor there is a full-sized bedroom with an en-suite bathroom, ideal for those who prefer everything on one level or for guests.

Adjacent to the kitchen is a storage room with direct access to the west-facing terrace — perfect for enjoying the sun in the afternoon and evening.

The stairs lead to the upper floor, where two spacious bedrooms are located, each with its own en-suite bathroom. From this floor, a second staircase leads to a generous solarium, where you are treated to a

beautiful 360° panoramic view of the charming and quiet neighborhood.

The sea and the popular La Zenia Boulevard shopping center are just a 10-minute drive away, while a supermarket, pharmacy, and various shops are accessible within 3 minutes.

The home is sold furnished and is equipped with high-quality designer furniture, allowing you to enjoy it immediately without a care in the world.

A high-quality villa in an excellent location, perfect as a permanent residence, holiday home, or investment. Here you live carefree, stylishly, and centrally.
