In the basement has a large and pleasant cellar, enriched with typical Alentejo chimney and that can be used as a living space.

Attached to the house there is a T1 composed of: living room, kitchen, bedroom and full bathroom. It has a side porch for car parking.

Outside there is a porch, facing the pool, which is covered by a pleasant garden.

The land is flat and occupied mostly by syrah and Touriga Nacional grape vines. It is fenced, thus ensuring your privacy.

The access road to housing is made on sidewalk.

The property is enriched with plenty of natural light, due to good sun exposure and large windows.

It is perfectly framed in the Alentejo landscape, combining the comfort and modernity of a villa of recent construction, with the tranquility and calm that only the countryside can transmit.
