We are pleased to present to you this building plot on the road leading between Yecla and Jumilla, in Murcia.

Land of 14 hectares in the mountains with a house that needs comprehensive reform. There is another house in ruins that does not appear on the deeds to the land.

The farm is made up of several terraces (different plots at different levels). It has about 120 olive trees (it would be necessary to work and prune) and empty plots. It is two kilometers from the main road by unpaved road.&nbsp;
