Περιγραφή:

This new apartment complex built in a traditional Portuguese style combined with modern and clean interior design is perfectly located close to all amenities and beaches in the city.

The 2 bedroom apartment consists of an open plan living area, fully equipped kitchen with high standard appliances and quality finishes. There are 2 bedrooms with built-in wardrobes and 2 bathrooms, of which the master bedroom is en-suite. The apartment has two balconies, to opposite sides, to maximize sun exposure. Each room has access to a balcony.

The apartments are built to high quality standards, with double glazing, electric shutters, air conditioning and solar panels for water heating. The communal rooftop terrace and pool boast great views of the Lagos area. Each apartment also has parking space in an underground garage.
