Περιγραφή:	

House (267 m2) located in a pedestrian zone of the old town of Vélez Málaga (Málaga), among the most appreciated historical buildings and monuments of the city. Public parking and all services at 100 m.

The house needs a complete structure (electricity, plumbing, floors, walls, bathrooms). It is possible to add a third floor.

It gives game to different types of investments, from the realization of some apartments, to the creation of a very wide family home, or the development of a tourist establishment (boutique hotel, b & b), with a cafeteria or shop at street level.

Currently, on the ground floor there is a commercial space with a warehouse. While on the first and second floors there are very large premises.

It is undoubtedly a property with a very interesting development potential.
