Located 3 km from the center of Callosa de Segura and Cox, with all services.

Recreational farm, to live and or spend seasonsAgrobusiness operation. With provision of water to plant the typical crops of the garden: citrus fruits, vegetables, greens...House - Rural hotel: By reforming the house, a very profitable business could be carried out, taking into account, above all, that the pandemic has modified the preferences of tourists for this type of accommodation in the countryside. The constructed area could be expanded because a buildable area of 2% of the land is allowed (almost 1000 m2) and there are only 100 m2 in the existing house. A few minutes from the Callosa mountain, with hiking trails, trekking, its via ferrata, etc. Also near the monumental historic center of the city of Orihuela. 25 minutes from the beaches (Guardamar, La Mata, Orihuela Costa) and less than an hour from
