Περιγραφή:

Built in 1982 this apartment is located in the Villotel urbanisation on the outskirts of Moraira, just a short drive to the beaches and town centre of Moraira. The apartment is situated at the end of a quiet street, with a shared carport and private storeroom at street level and then steps up to the apartment on the first floor. Entrance to the property is through a gate into the open terrace that runs the width of the apartment with access from both the living room and bedroom. Accommodation comprises of a living/dining room with a feature fireplace and sliding doors that can separate the living area from the dining room. To the right there is a worktop level archway between the living area and the kitchen. The kitchen is small but it has been well fitted with pale cream units and granite worktops and includes stainless steel oven and extractor, ceramic hob and a built-under fridge. Off the hall you will find a double bedroom with wardrobes and glazed doors to the terrace, the house bathroom with bath including shower attachment and the master bedroom. The master bedroom includes wardrobes, a small private terrace and and en-suite bathroom with walk in shower. This Villotel apartment is just one of the properties we can offer in the Moraira area.
