## Περιγραφή:

Very rare opportunity in Ramatuelle - Large building plot with panoramic views over countryside down to the sea, with planning permission to build a large eco friendly home...

Set amongst the vines, just beneath the beautiful hilltop village of Ramatuelle, this is one of the last plots available in this area with permission to construct a villa of this size.

A gently sloping plot with impressive views, looking towards Pampelonne beach of approximately 6630m2 with vines.

Permission has been granted to build a two storey ecologically efficient villa of 450m2 with large garage & underground space of an additional 150m2 approximately.

Large pool with terrace area (plage piscine), pool house and staff apartment would complete this wonderful project....

This is a unique opportunity to build the villa of your dreams, within easy walking distance of local shops, restaurants and all of the facilities of Ramatuelle village and just a short drive from Pampelonne beach and Saint Tropez.
