Description	

Tropical Forest Land in the Hills of Jamao

Find your ideal tropical forest land which you can use for a permaculture project or just to live away from the noisy tourist towns.

16 acres of very good soil where already a few fruit trees are growing. On the farmland, there is an old farmhouse that could be renovated and transformed into a beautiful weekend getaway.

On the property is a very big water tank which is also providing water to the small town which is close by. The electricity is right by the main road.

In 30 minutes you will be in Cabarete and in 45 minutes in Sosua.
