Περιγραφή:	Ecological Oceanfront Retreat outside of Cabrera

The ecological oceanfront retreat was built in 2019 on 2.460 square meters. The 3 independent bungalows, the 1 apartment, and the service area with warehouse, laundry, technical room plus garage, workshop, and gazebo are measuring a total of 350 square meters.

Each bungalow has its own little terrace, kitchenette, private bathroom, beautiful sea view, and access to the pool.

Furthermore, the ecological oceanfront retreat has a tropical garden with a courtyard, chicken coop, and an orchard of different vegetables.

The property is 100% solar energy efficient with its own power plant, and cistern with supply from the local aqueduct. The electric access gate to the property and the security cameras are some of the property's highlights.

The Samana International Airport, El Catey, is 50 minutes away and the International Airport of Puerto Plata is approximately 1.5 hours.
