Traditional Treat could be a wonderful and character filled home, it is in need of a reform but current owners have kept on top of maintaining the solid walls and roof really well, there are already great views from a terrace off the first floor and some with imagination it could give you a dream home , with space for 2 bedrooms and a bathroom .This property would suit upside down living as the best views are from the first floor and who needs views when you're asleep ? All could be topped off with terrific roof terraces ,or you may choose to maintain the charm of pitched roof with rustic beams. This is an opportunity to create your own tailor made slice of Andalucian heaven ! on one of our favourite streets in Pruna.We have local builders and architects on hand to quote and advise as well as providing a great project management service so you don't have to worry about being here through out the build process.
