Floor Area: 98 meters

With Perfect Patio Project we have the bones of what could be a really lovely home, double fronted on a great street with easy parking.

It has over all been maintained to keep the roof and the walls solid but is a total blank canvas , it could become a wonderful holiday or full time home with 2 spacious bedrooms and good living spaces, of course there are going to be wonderful views if you add a roof terrace to rear but the ground floor outside space is waiting to become a cool tiled haven with enough room for a small plunge pool as well.

You need imagination but I think whatever you put into Perfect Patio Project you would reap the rewards of having lovely home in the traditional Andalucian Village surroundings of Pruna.
