Περιγραφή:

e of those perfect Tuscan houses purchased and completely renovated by the British owners. The house is now too large for the owners and so they have decided to downsize.

The views, as you can see from the photos are wonderful looking across the Garfagnana Valley. The house will need absolutely no work unless the new owner wishes to restore the largest barn into a three bedroom house for which there is always a project.

The third barn is on the road and could possibly be subdivided so that the owner could sell this or rent it out separately.

Only 40km from Lucca - a must see!
