Περιγραφή:

Exceptional plot of over 2 hectares. There are numerous ruins present so it is possible to built a massive villa. It is just outside a small town about max 10 m in drive from Tavira centre. Exceptional plot. Even for this price a true bargain. You drive up to the plot through a very good dirt track. The top of the plot is flat, so ideal for construction. To the left and right it slopes down toward the ocean. There are numerous fruit trees and a orange yard. The views are simply exceptional. It is the highest point, so have superb views all along the coast. It is sloping down and is part of the plot so can never have something built in your views. If you are looking to built a big villa, this is the plot to built it on. - REF: 1779
