We present our new project located in Moraira in the exclusive area called Moravit. Located near the beach, shops, restaurants and services, all less than 1km away.

It is a quiet area, being the last house in a cul-de-sac. The plot, of considerable size, specifically 1,412 m2, has sea views from both floors, as well as open views of the pine forest.

The house is of an exquisite design with high-quality interior finishes. It has a double garage plus a covered parking space, 4 bedrooms, five bathrooms (one exterior) and a guest toilet, a chill? out area on the top floor with unbeatable views of the sea, a large area in the basement to finish at the customer's pleasure (in part said finishing is not included), summer kitchen. The covered

constructed area is 680 m<sup>2</sup> plus 222 m<sup>2</sup> of terraces.

The pool is 11m and is overflowing with the water flush with the terrace.

Of course, it includes a modern kitchen with an island and all electrical appliances, an Aerothermal air conditioning system (underfloor heating and ducted air conditioning), bathroom furniture, built-in wall taps, technical led lighting, large-format porcelain floors, a complete garden with automatic irrigation system etc.

The price is 1,890,000 euros and the completion date will be communicated once the building permit has been obtained.
