ABOUT THE AREA

A tropical archipelago situated in the Atlantic Ocean off the west coast of Africa and just an hour from the Canaries, Cape Verde boasts some of the best beaches in the world on which all our resorts and properties are located. With year-round temperatures between 25°C to 30°C and crystal-clear waters, it's no surprise tourism numbers have increased 115% since 2000 making our resorts a great investment.

Consisting of ten islands and five islets, the Cape Verdean laidback, 'no stress' lifestyle makes for the perfect holiday destination. Thriving tourism, thanks to the impeccable Cape Verdean hospitality and year-round climates, have driven high levels of demand for quality resorts and properties to outstrip supply, making the perfect economic and environmental conditions for a rewarding property investment in Cape Verde.

Santa Maria is a town in Cape Verde, on the southern tip of Sal Island. Its long, wide beaches are backed by resorts. The town is dotted with pastel-colored buildings, al fresco restaurants and live-music bars. The old harbor's Weigh House recalls Sal's salt-trading history. The area's clear waters are home to rays and sea turtles. Nearby, exposed Kite Beach is a popular kitesurfing destination. Sal's busiest town is Santa Maria, a Crayola-coloured hub filled with surf stores, craft shops, and restaurants that serve local specialities, like steaming catchupa stew. Most of the hotels on the island are lined up along the town's beach – an eight-kilometre stretch of sand dotted with beach bars and windsurfing centres.

This little isle is part of the Cape Verde Islands, and is made up of little more than white-sand beaches and brightly-coloured villages.

Sal is part of Cape Verde, a group of 10 islands sprinkled off the west coast of Africa. They're relatively unknown in the mainstream market and, thanks to their location, they're a unique melting pot of cultures. The islands were originally discovered by the Portuguese, and there's also a mixture of African and Brazilian influences. You'll see it in the island's music, fashion and, perhaps most obviously, in the food.

The travel guides like to refer to Cape Verde as the 'African Caribbean', and the country certainly lives up to its nickname. Sal, one of the most popular islands, has snow-white beaches and rainbow-painted towns, just like those you'd find in Jamaica and the Dominican Republic.
