Περιγραφή:	

Rare opportunity to acquire a prime building plot in the greater Lagos area close to all amenities. The plot has viability to construct a large family home over two floors with 200 m2 of footprint and 300 m2 overall build. The land slopes ideal for terracing and creating different areas as well as to enhance the view and provide for maximum privacy. The plot is situated in a residential area and will have a direct gated access to the main road into town as well as the driveway on the other side of the plot.

If you want to be involved in the design and build of your own home we offer full support for a turn-key property.
