Περιγραφή:	

Located on Costa Rica's Pacific coast, Solaris Reserva Conchal creates a fresh dialogue between land, water, and wildlife. Forty-two finished residential units suspended in the crisp ocean light and breathtaking ocean views with a fundamental approach, bringing together architecture, design, and magnificent natural landscapes. The master plan is distributed across 4 residential towers: Acacia, Caoba, Poro, and Sura which are 5 or 6 stories each.

Living here is having the Pacific Ocean at your doorstep and the wildlife leaning on your balcony, is enjoying a world-class golf course as your backyard and the possibility to unlock entertainment, relaxation, and social connectivity by the pool, spa, restaurants, and the other sleek facilities of Reserva Conchal.

Solaris amenities will include an ocean view clubhouse, a swimming pool with a jacuzzi, a fitness center, and an outdoor yoga deck. These condos have access to all the Resort amenities at Reserva Conchal including golf, tennis, discounts at 13 bars and restaurants and 2 spas, kayaks, bikes, standup paddle boards, and daily social activities. Reserva Conchal is an 8 min drive to the brand new Flamingo Marina, 45 min drive to the international Liberia Airport and 5 min drive to some of the top ex-pat schools. Solaris will make a wonderful full-time residence, a fabulous vacation home, or an amazing investment!
