Περιγραφή:

This staggering 16th-century historical structure is currently for sale in the heart of Florence's mesmerising city centre. This two-floored building sprawls over approximately 800 m² and is completed by an old lemon conservatory that may be transformed into two stand-alone apartments. Moreover, a garden on the inside sprawling over roughly 1,500 m² separates the lemon conservatory from the main building. A spectacular feature of this estate are its sophisticated traits such as some lovely ceilings with original frescoes or visible, hand painted wooden beams. Finally, this property's central position in the heart of Florence, close to multiple places of interest, will allow you to fully appreciate this city's timeless appeal. rif.4671 <https://www.lionard.com/stunning-estate-for-sale-in-florence.html>
