This is a superb opportunity to acquire a prime position property where you can tailor a bespoke villa perfectly to your tastes.

The urbanization regulation was made to define, harmonize and protect the quality of the investment you are going to make there.

In this urbanisation it is only allowed to build villas with 1 floor + basement and the slope of the land allowed us to organize the plots in a way that all the villas will have a free view to the front, in all the constructions the ground floor will be more than one meter above the roof of the building ahead, the sea view is guaranteed forever.

Unlike many urbanization, there will be no condominium fees here.
