Περιγραφή:	

This villa for sale is only five minutes walk via a path with direct access to the beach of Baladrar. The villa has two bedrooms, two renovated shower rooms, one of them en-suite, a good sized living room with a fireplace and a renovated kitchen. There is a garage with the possibility of increasing living space as there is already a bathroom and a kitchen in need of updating. There is a communal pool and a space for barbecue and a piece of land to make a garden. The property benefits from new UPVC windows and doors. A great location close to supermarkets, restaurants etc. An opportunity not to be missed!
