Περιγραφή:

If you are looking for a new and inspiring place to live, work and switch off from the hustle and bustle of everyday life, you will find absolute peace, relaxation and a touch of luxury at the same time in this unique farmhouse with attention to detail and a private swimming pool. Not only the main house, but also the five other elegantly renovated apartments are a remarkable element of this charming property, which blends in impressively with the natural landscape.

Adding to this already attractive offer is the fact that the property is located directly on a river, and not just any river, but a beautiful waterfall that is part of this extraordinary setting. But the natural surprises of this property do not end there. The property is overgrown with an impressive number of olive and fruit trees.

Come and don't miss out on this enchanting offer. Your paradise is waiting for you.
