This semi-detached villa with all accommodation on one level is situated just 10 minutes drive from the historic centre of Javea. The property consists of a large naya with ample light, a living room with a wood burning fireplace, a kitchen, a storage room, four bedrooms and a bathroom. Outside there is a terrace, a carport, an outdoor shower room and a toilet, a storage room, and an outdoor kitchen with a wood-burning pizza oven. Adjacent to the house is a large plot of land with olive trees and various fruit trees as well as a storage area and a workshop. The property also has a well, which is used for irrigation.
