Located in Dickenson Bay.

This is a rare opportunity to own a substantial beachfront parcel on one of Antigua's best beaches. Ideal for tourism development, this represents an incredible opportunity to purchase a large undeveloped parcel of prime beachfront land for a commercial tourism venture, such as condominiums, boutique resort, oceanfront residences, restaurant and/or entertainment establishments. This is a highly desirable location, and the plot is zoned within a tourist commercial area making the development possibilities endless.

The vacant parcel spans 5.25 acres, with extensive beach frontage. It benefits from incredible clear blue Caribbean seas, sunset views and direct access from the main road to the beach. The parcel is located on Antigua's famous Dickenson Bay Beach within close proximity to the established Sandals Grande Antigua Resort & Spa, Buccaneer Beach Club and Siboney Beach Club boutique hotels. The Dickenson Bay area, on Antigua's north coast is known to be one of the island's finest touristic locations.

Additional beaches, hotels, condominiums, restaurants and bars are all nearby within walking distance.

Within a just a short drive away you'll find supermarkets, retail stores, banking institutions, entertainment establishments and the V.C. Bird international airport.
