Located in Westmoreland.

This beautiful house is situated on Mahogany Drive, on the exclusive Royal Westmoreland Estate. Tranquility is a 5 bedroom, 5.5 bathroom property, designed by renowned architect, Michael Carrington. A commanding presence, the property is approximately 7,000 sq ft, set amongst sprawling and beautifully landscaped private gardens. The entrance hall leads upstairs to a large open plan living area, including a well-appointed kitchen, and opens on all three sides to the impressive wrap-around verandah, with vast dining and seating areas, stunning views of the West Coast, and a striking central stairway leading down to the pool deck and infinity pool below. The ground floor hosts five large bedrooms, each with air conditioning, en-suite bathrooms and private patios and each with direct access to the spacious pool deck. The villa's outdoor space includes covered terraces as well as open areas perfect for soaking up that Caribbean sunshine, while the large infinity pool with mosaic tiling is the perfect place to cool off. There is even a separate housekeeping area, complete with WC and shower. Tranquility has never been rented, but rather has been impeccably maintained as a family home, and has also recently been extended. The result is a truly stunning property of the highest standard.
