Περιγραφή:

Fantastic Fabrication is a wonderful home for sale set close to the lower part of the old town , and benefits from on street parking , a corner shop and bar within easy distance, as well as flat walking into the centre of town. The house has 4 bedrooms and 2 bathrooms.

Fantastic Fabrication would benefit further from a terrace being added to the flat roof and a staircase being added from the existing patio or the 3rd floor could be changed into a terrace in the middle of the house, the house has large airy rooms and has a lovely homely feel to it.

The kitchen is large with a good size pantry, unusual in some houses in Olvera. It's a great location on the flatter part of the village, to have a good sized kitchen with window to the patio outside is also unusual .
