Luxury apartment on the 1st floor, with two bedrooms and 2 bathrooms, of which 1 bathroom is en suite. The luxurious kitchen is equipped with all appliances including a dishwasher. Large balcony of almost 23m² facing south-west with beautiful unobstructed views over the mountains and meadow surroundings. Enough space on your balcony for a lounge set and spacious dining table to enjoy Spanish life. There is a large communal swimming pool and for those who want their own parking space, you will find this under the complex, where there are also the various storage rooms (both optional). From here you can also take the elevator to the 1st floor of your apartment. Around the corner you will find the first nice Spanish bars, supermarket, (Hamiltons) bakery, etc. All facilities are within walking distance. There is a municipal sports center within walking distance with a large outdoor swimming pool and tennis and padel courts. As an owner, you can use this for a small fee (8 euros)! However, we do not want financial burdens for the maintenance of these types of facilities. If you would like to know more, please do not hesitate to inquire now. Come by without obligation to enjoy the view, call/email without obligation for more information or visit the show house in: Calle Pais Valenciano on the corner with Calle Reina Sofia, Benijofar
