Περιγραφή:

Condominium of modern architecture. Located in the city of Olhão, which gives it its name, and which is one of the most central and charming points of the Algarve region. Welcome!

The 1 bedroom apartment, ground floor, equipped with a large living room, with integrated and equipped kitchen, sanitary facilities and bedroom with wardrobe. Parking and storage room at basement level.

A condominium with pools in osmosis with its environment. It is distinguished by a beautiful balance between the modern design of the buildings and the natural environment of the gardens of the residence. Its elegant lines are an attraction and reveal the vast and lush outdoor garden areas that are an extension of the new apartments.

The facades create a dynamic environment and blend into a garden whose versatility allows each one, alone or in a group, to make the most of their space, or simply observe from the balcony the variations of the landscape throughout the day or the seasons.

Enjoy a pleasant and friendly environment where nature unfolds in many forms, particularly through the greenery of the residence's landscaped garden.
