Περιγραφή:	

This attractive, as-new ground floor apartment can be occupied from 1.7.2024. The rental is planned until 2 years June 2026 as we would then like to move in ourselves. Fitted kitchen, bathroom, dining and living area and two rooms. Two smaller terraces and lawn area in front of the kitchen and living area. For the sleeping areas, the rooms will be partly furnished with double bed and or single bed. Can still be discussed. A current energy certificate is available. Barrier-free access to the property is also possible. Particularly noteworthy is that there is not only a balcony, but you can also use the garden of the house. In addition to a parking space, the apartment also comes with a fitted kitchen, which saves you time and money compared to buying a new one.
