Περιγραφή:

Charming T1 of high quality, designed by the architect Samuel Torres de Carvalho with all the premium features, its south-facing garden, its two bedrooms including a suite, its SMEG equipped kitchen and its bathrooms designed for the comfort of its inhabitants.

The high-quality materials, solid oak, custom-made joinery, LEDs, heated towel rails and integrated air conditioning system as well as its high acoustic and thermal standards make this apartment a unique and safe investment product.

The building in which it is located was completely renovated (or even built) in 2022, offering a construction guarantee until July 2026. Located in the historic district of Santa Catarina, 2 minutes walk from the Adamastor viewpoint and 5 minutes from Chiado, nestled in a quiet and secluded cul-de-sac reserved for residents, parallel to the Calçada do Combro, it is a true haven of peace in the heart of Lisbon. Ideal for living or investing in a luxury property, this apartment combines historic charm and modernity.

Key features
