We are offering a unique detached house with a living area of 180 m2, located in the town of Beli on the island of Cres. The house extends over a total of three floors, ground floor, first and second floor; the main entrance is located at the height of the first floor. On the first floor there is a living room with a fireplace, a kitchen, a bathroom and a storage room. It should be emphasized that it has a separate entrance, so it is suitable for making a separate apartment. On the second floor is the main entrance to the house, and it consists of a living room, kitchen, bathroom, storage room and hallway, as well as two terraces. One is at the entrance to the house, and the other is from the living room. From the hall, you can go up the beautifully decorated stairs to the first floor, where there are three bedrooms. The house is furnished and decorated in a rustic style, the roof and facade are new, and new ALU carpentry and ceramics have been installed. Heating is possible with air conditioners and/or wood.
